“Be An Artist”

After the tour of Jasmine Hill Gardens and Outdoor Museum, choose your favorite statue or the Temple of Hera Ruins and sketch it on this sheet of paper.

Fine Arts – Design

Choose a view for your drawing that would make a visually pleasing composition. Keep in mind such things as dark – light patterns, textures, spatial illusion, and both positive and negative shapes.

In the rectangle below make a quick, rough sketch indicating light – dark patterns and placement on the page.

On the drawing paper make a finished drawing of the same view.
